December 1, 2006

Quote of the month:

She will bear a son, and you are to name him Jesus, for he will save his people from their sins." All this took place to fulfill what had been spoken by the Lord through the prophet: "Look, the virgin shall conceive and bear a son, and they shall name him Emmanuel," which means, "God is with us". Mathew 1:21-23

Welcome to the December edition of Café newsletter. And what a jam packed month it's been! And not to mention what a wonderful month we will have coming up, with Christmas nearing and the New Year not too far ahead, I predict parties parties all month long. From all the gang here, we wish you all a Merry Christmas and a Happy New Year!

GUESS WHAT I HEARD!

My sources have revealed a lot of interesting up coming projects for the face of Assyrian Café. Although I can't reveal my sources for security reasons, I do believe the members of Assyrian Café ought to know. Assyrian café is getting a new design for the homepage. With all the begging and pleading, that's all I could get, but as time continues Assyrian Café, will be sure to have a new website design. But I also managed to squeeze out the arrival of some

new music to our Assyrian Café collection. Here's the twist not just listen but download too. The last piece of gossip I got was the most exciting, Assyrian Café is starting a new competition, I don't know what the competition is about, but I do know that first prize is an IPOD. Keep your eyes peeled members!

PUT THE CHRIST BACK IN CHRISTMAS!

As we count down to Christmas, sometimes we forget what Christmas is really about, with all of Hallmark marketing techniques that seem to blind us all of the real meaning. So why don't we put the Christ back in Christmas. Is Christmas gifts under the tree, the lights in the windows, the cards in the mail, turkey dinners with family and friends, snow in the yard, stockings hanging in the living room, and shouts of "Merry Christmas" to those who pass us in the streets? Is this Christmas? Christmas is a day when God shows us how greatly he adores us and that is shown through the

strength and healing he brings to the hearts of all. Christmas is really about a day when God's son Jesus was born. The only son God has he gave to us. His birth gave humans a sense of great joy. With this, the Shepard's wise men and angels come together and rejoiced in his arrival. His birth was predicted hundreds of years before, this child was no ordinary child; he was the son of God. He was our savior. As that star twinkles over Bethlehem it marked a new beginning and this day we call it Christmas.

BLACK GOLD

While we continue to pay for our lattes and cappuccinos, the price paid to coffee farmer's remains at an all time low and the prospect of a coffee farm seem very dim. Nowhere is this paradox more evident than in Ethiopia, the birthplace of coffee. Tadesse Meskela is one man on a mission to save his 74,000 struggling coffee farmers from bankruptcy. As his farmers strive to harvest some of the highest quality coffee beans on the international market, Tadesse travels the world in an attempt to find buyers willing to pay a fair price, and that is the story behind the movie Black Gold.

LMAO

Now these guys truly put the laughing into LMAO! With their famous Barbie clip, they have yet

again produced an eye tearing clip, but this time imitating the lion kings and Back Street Boys. Ray and Dan have now become Assyrian Café members, welcome Ray and Dan. To watch their video clips just go to the Podcasts section of Assyrian Café and search for "Lion".
