Quote of the month:

Being a full-time mother is one of the highest salaried jobs... since the payment is pure love. ~Mildred B. Vermont

Welcome to another edition of Assyrian Cafe Newsletter. Another fun filled month for Cafe users all around the world, with the introduction of math helping program, article posting, new games and many other more wonderful surprises from the team here at Assyrian Cafe. But this month also marks another very special occasion, well three very special occasions. Are you curious to know what? Keep reading...

HAPPY BIRTHDAY TOO...

This month we celebrate not one but two very special Assyrian Cafe users' birthday. Without the help of these two wonderful people, Assyrian Cafe wouldn't be where it is today. So on behalf of all Assyrian Cafe users I would like to wish Assyrian Guy and Chicago Girl a very happy birthday and many more

birthdays to come, one more joyous than the one that preceded it. Happy birthday Simon and Mona.

MOTHER'S DAY!

May 13th is the international day where daughters, sons, husbands, friends recognize the importance of mothers and how much they contribute to life itself. This is done through a presentation of a gift, from which the thought counts. Most of you guys have probably forgotten, aren't you lucky you have me. Assyrian Cafe would like to wish all mothers around the world a happy Mother's Day and we appreciate every second spent on us. The thought of you not being around would be too horrible to comprehend.

S.O.S

I don't know about you guys, but I couldn't count change to save

my life. Using me as an inspiration, lol only kidding. The team here at Assyrian Cafe have gone one extra step and decided to be of even more use to our users and have started a math help forum. This is the first forum of its kind and of hopefully many more to come. But before that, we would like to invite anybody, experiencing any difficulties or curiosity to go to the Assyrian Cafe forum index and post away. But this wouldn't have been possible without the help of a newly arrived Cafe user, Jacqueline. Thank you Jacqueline!

CAFE ARTICLES

The team here at Assyrian Cafe have yet again gone the extra mile and become more of an extra limb to us. By providing yet another useful program, this program allows users to post articles with the intentions of sharing their knowledge or getting some feedback from readers. Some articles posted by Simon are already uploaded for everyone to view, so please do. If you would like to post an article of any sort please email your request to:

OHHH BUBBLES

As most of you have already noticed, Assyrian Cafe has some new and exciting games in the arcade. I've tried a couple and personally I like the easiness of them LOL. And I know this may come to all of you as a shock....NOT. But bubbles has gone through and literally moped the ground with people's butts. She's gone in and beat high score after high score. Can't say I'm surprised. Well done bubbles, I knew you could do it. I encourage all of you to check the new games and if any of you are game, try and win some high scores.

LIGHTS CAMERA ACTION

More very interesting videos have been added to our video podcast collection, some of the very famous and well respect Assyrian author Rosie Malek-Younan. A personal role model, she's very inspiring and her speeches are as encouraging. Another newly arrived video is of an interesting documentary on the Assyrian Genocide and many more to be viewed, so get clicking.

WHAT'S THE NAME OF THAT...YOU KNOW...UHHHH

Remember how the last edition I mentioned the arrival of yellow pages for the folks in Canada and Australia, well my friends its here. However not many businesses have been posted, so

I would encourage Cafe users if they have anybody that would like some internet advertising to contact Assyrian Guy at

AssyrianCafe@gmail.com

and arrangements can be made. For the rest of you, check out the new yellow pages, it might answer some of your problems.

GIVE ME AN "A", GIVE ME AN "S", GIVE ME AN "S"...WELL YOU GET THE PICTURE.

Now I know the users here at Assyrian Cafe haven't forgotten an important aspect to the website, yes you named it, the guest book. I would like to encourage you all, to get posting if you happened to stop by, and send some love out to all your people (how gangster do I sound? LOL). So don't forget y'all.

ADVERTISING

I don't know if any of guys have noticed the ads added to the end of the newsletter... well look closely. But the team here would like to extend an invitation out to anybody whom would like to advertise a businesses, event, etc, to do so by emailing Assyrian Guy, otherwise known as Simon and he'll organize and answer all your questions. The email is:

AssyrianCafe@gmail.com

THANK YOU!

Special thanks go out to our web designer, newsletter writer, admins, moderators, members and guests at Assyrian Cafe.
